

Veterans Park Community Meeting

Thursday, March 8, 2018

Join us for a community meeting for Veterans Park

The Austin Parks and Recreation Department (PAR) is hosting a second community meeting to review concepts for Veterans Park. The purpose of this meeting is to review community input and gain feedback on design of the space.

The focus of the Veterans Park project is to relocate and enhance the exhibition of three war memorials, originally located at Waterloo Park, to the existing Veterans Park. The intent of the proposed design will create a setting for the monuments that expresses a respectful and peaceful sense of place.
