**ON-THE-GROUND SURVEY:** Final determination of the FEMA/NFIP floodplain status shall be based on an "on-the-ground" topographic survey by a Texas R.P.L.S. in order to address any floodplain mapping inaccuracies.

**THIS FORM IS NOT A SUBSTITUTE FOR FEMA FORM 81-93, STANDARD FLOOD HAZARD DETERMINATION.** Flood hazard determination services are widely available from private companies. For a list of private companies that provide such services, please refer to the FEMA web site at [www.fema.gov/nflp/fzone1.htm](http://www.fema.gov/nflp/fzone1.htm).

**THIS FORM IS NOT A PERMIT FOR DEVELOPMENT.** For information about development permitting, call the Development Assistance Center at (512) 974-6370.

**DISCLAIMER:** The City of Austin provides this information on request as a courtesy to our citizens. Any use of this information is at the sole discretion of the user. The City of Austin makes no warranty, expressed or implied, for the accuracy, completeness, or applicability of the information provided in this form. The floodplain information above is the best available information for floodplain regulation.
