RE: Errors/Omissions on CodeNEXT maps and materials require correction

Dear Mayor Adler, Mayor Pro-Tem Tovo, Council Members, City of Austin and CodeNEXT Staff and consultants,

The CodeNEXT draft maps have inadvertently omitted "NP" from all properties located within the Oak Hill Combined Neighborhood Planning Area. "NP" and "CO" need to be added to the properties within the Oak Hill Combined Neighborhood Planning area on the CodeNEXT maps and other materials prior to finalization in order to ensure the accuracy prior to Council approval.

The Oak Hill Neighborhood Planning Contact Team requests confirmation from CodeNEXT staff that these errors and omissions have been corrected.

Thank you.

Sincerely,

Kathy McGhee, Secretary
