

## STAKEHOLDER MEETING

Please join us to share your experience and insights related to **Neighborhood Plan Contact Teams**.

**Date:** Monday, October 26, 2015  
**Time:** 7PM-8:30 PM  
**Address:** One Texas Center. Training Room 325  
505 Barton Springs Road, Austin, TX 78704

Neighborhood Plan Contact Teams are specialized community groups charged with implementing neighborhood plans by the City of Austin Land Development Code. On October 1, 2015 City Council approved a resolution directing staff to conduct stakeholder involvement and initiate code amendments to modify the Land Development Code to add oversight and compliance requirements for Neighborhood Plan Contact Teams. The intent is to develop requirements that would encourage a more open and inclusive process for Contact Teams throughout the City. As discussed at the [October 1 City Council meeting](#), many Contact Teams are functioning well and can serve as role models for revisions to the Code.

The meeting will allow stakeholders to provide input to staff on appropriate requirements. Staff will use the input we receive to develop proposed code amendments. ***NOTE: This meeting will provide an additional opportunity for individuals who are unable to participate in a meeting scheduled on October 17. There is no need to attend both meetings.***
