

Applegate Drive Neighborhood Cleanup

On Saturday, April 26, 2014, the Region 2 District Representatives (DRs) partnered with the community for a cleanup event on Applegate Drive. Each month, the Northeast Region 2 DRs schedule a cleanup in the Restore Rundberg grant area. This past clean up on Applegate

Drive was a great success! We had officers and multiple volunteers helping with this effort. Not only was trash picked up in the area, we also painted over graffiti along the street. Every month on the 4th Saturday we will have a cleanup through 2014.
