**Region II DRs Host First Apartment/Motel Manager's Forum**

The Region II DRs saw the need to reach out to managers in the apartment complexes and motels throughout the region. So they hosted a forum on September 6th during daytime hours in order to open lines of communication between the different properties and APD.

The forum was held at the Milwood Branch Library at 12300 Amherst. All the DRs were on hand to meet with managers in their districts. Sergeant Boyd introduced the DRs and the Region II staff and explained the DR program. Commander Crochet spoke to the group and answered questions. Then a guest speaker from Rent-Rite Directory made a presentation.

The meeting was successful and the participants were eager to have future forums. We plan to host more forums in the coming year and we will have other guest speakers.

Please contact your district rep and let them know you want to participate!

**The First Apartment/Motel Manager's Forum was held September 6th and will happen again early next year.**
