

Public Works Department, Transportation Department

505 Barton Springs Road

P.O. Box 1088

Austin, TX 78767

June 27, 2013

To Neighborhood Association or other Stakeholder:

In order to improve safety for all modes of transportation, the City's Public Works Department is implementing and improving a bicycle route system, as directed by the Austin City Council per **City Ordinance No. 20090611-075 (The Austin Bicycle Plan)**. St Johns Avenue from Lamar Boulevard to Berkman Drive is part of Route 225 of the City of Austin bicycle system. You are receiving this notification because you live on and/or own property adjacent to St Johns Avenue in Austin, Texas, and/or are a stakeholder in the area.

In coordination with routine street maintenance (road re-surfacing and re-striping), and to improve safety in the corridor for both motor vehicles and bicycles, the street striping on St Johns Avenue will be reconfigured to include bicycle lanes. The corridor's safety and mobility, as well as the results of an intersection capacity analysis, were considered to determine these modifications.

To accomplish this reconfiguration, existing travel lanes will be modified on St Johns Avenue as shown in Figure 2 and on-street parking will not be permitted. Signalized intersections and other locations with high left turn demands will have left turn lanes in order to facilitate traffic flow. The intersection at the IH 35 Service Roads will also have additional lanes in order to maintain motor vehicle capacity.

Usted está recibiendo esta notificación porque vive cerca de St Johns Avenue, es dueño de propiedad cerca de St Johns Avenue, o es parte interesada de St Johns Avenue en Austin, Texas. Si necesita un documento traducido en español, llame a (512) 974-7142.

You can obtain additional information and provide feedback at an Open House on July 10th, 2013, from 6:00 pm to 7:30 pm at the Virginia L Brown Recreation Center, 7500 Blessing Avenue, Conference Room B. Feedback based on local experience frequently results in improvements to initial project proposals. If feasible, modifications to this proposal can be made after input received at the Open House. If you cannot attend this Open House and have questions or comments, please contact Neil Kopper at 974-7166 or neil.kopper@austintexas.gov.

Sincerely,

Annick Beaudet
