

# 2016 Mobility Bond: Intersection Safety/Vision Zero

## Planned Intersection Safety Improvements

Slaughter Lane & South 1st Street

### OVERVIEW

The planned improvements to Slaughter Lane at South 1st Street are designed to increase safety and improve mobility by adding a second left-turn lane at both approaches to the intersection on Slaughter Lane. The improvements will also enhance and pedestrian and bicycle connectivity.

### PROPOSED IMPROVEMENTS

- New dual left-turn lanes and modified medians on Slaughter Lane to increase driver safety
- Upgraded left-turns signals on Slaughter Lane to green arrow left-turns at all times
- Increase storage space for cars waiting to turn left on Slaughter Lane
- Upgraded pedestrian infrastructure, including high-visibility crosswalks and reconstructed ADA-accessible curb ramps
- Relocated sidewalks along Slaughter Lane to accommodate new turn lanes
- New shared use paths on Slaughter Lane and South First Street

*\*As part of this project, a new traffic signal was installed at the intersection of Slaughter and Alice Mae lanes in October 2017.*

### TIMELINE

- Anticipated construction start:  
December 2018
- Construction anticipated to last 6 months

*\*Barring weather delays or other unforeseen circumstances*

### FUNDING

This project is anticipated to cost \$2 million.

### 2016 MOBILITY BOND

The 2016 Mobility Bond dedicates \$15 million of Local Mobility funding towards Intersection Safety/Vision Zero projects, including construction of improvements at top crash intersections around Austin.
