This class will provide you required insight and understanding of the City program and highlight the following:

- How the performance evaluation programs impact both Primes and Subs.
- Criteria, scoring, and direct link of performance measures to contract documents.

Subcontractors Academy

The City of Austin Contract Management Department (CMD), in partnership with the Austin Area Black Contractors Association (ABCA), U.S. Hispanic Contractors Association de Austin (USHCA), Asian Contractor Association (ACA), Small & Minority Business Resources (SMBR), and Public Works (PWD) is breaking ground with a new educational series – the *Subcontractors Academy*. The Subcontractors Academy consists of a series of seminars and interactive sessions specifically designed for subcontractors involved in City funded CIPs.

Subcontractors Academy Goals

1. Ensure all interested subcontractors have access to the information, resources, and tools they need to be successful in their City construction contracts.
