

FREQUENTLY ASKED QUESTIONS

- 1. When will Bright Green Future Grant applications be accepted?**
Applications will be accepted from September 1 to October 31.
- 2. Can schools apply for multiple grants?**
There is no limit to the number of grants each school may apply for. However, a separate application form must be completed for each project submission.
- 3. Are past Bright Green Future Grant recipients eligible to apply?**
Yes.
- 4. Are Bright Green Future Grants only available for AISD schools?**
No. The program is open to all AISD and Austin area charter and private schools, as well as cities – such as Round Rock and Pflugerville – that utilize services through Austin Energy, Austin Water Utility, or Austin Resource Recovery. Unfortunately, home school classes are unable to apply for grant funding.
- 5. What is the dollar amount of each grant?**
Each project may apply for **up to** \$3,000.
- 6. What grade levels may apply for Bright Green Future Grant funding?**
Grades K-12 may apply.
- 7. When will recipients be notified, and when will funding be distributed?**
Grant recipients will be notified in early December. Once our Office receives a current W-9 form from the school, checks will be delivered.
