Strategy Questionnaire

1. Which transportation strategies do you believe would best address **commuter delay**? *(check all that apply)*
   - ☐ Offer more choices in how we can travel such as bicycling, walking and transit
   - ☐ Improve signal timing and other transportation technologies
   - ☐ Promote flexible work hours and teleworking through policies and programs
   - ☐ Prioritize transportation projects and policies that support opportunities to live, work and play in close proximity
   - ☐ Provide new roadway connections and additional capacity for vehicles
   - ☐ Other: _____

   _____

   _____

2. Which of the following strategies do you feel would best promote **health and safety**? *(check all that apply)*
   - ☐ Prioritize projects across the city that promote walking and biking as a mode of transportation for short trips
   - ☐ Increase education and enforcement of traffic laws
   - ☐ Provide more options for travel to healthcare facilities, healthy food providers and activity centers such as parks
   - ☐ Reduce serious injuries and fatalities by designing streets for appropriate vehicular speed
   - ☐ Plan for and use autonomous and/or connected vehicle technology to reduce human error
   - ☐ Other: _____

   _____

3. Which of the following strategies do you feel would best promote transportation **affordability**? *(check all that apply)*
   - ☐ Invest more transportation infrastructure and programming resources in historically marginalized communities
   - ☐ Offer more choices in how we travel to reduce personal costs associated with car ownership
   - ☐ Prioritize transportation projects and policies that support opportunities to live, work and play in close proximity
   - ☐ Other: _____

   _____

   _____

4. Which of the following strategies do you feel would promote more **travel choices**? *(check all that apply)*
   - ☐ Provide new and safer sidewalks and bikeways
   - ☐ Provide new roadway connections and additional capacity for vehicles
   - ☐ Provide more transit service, promote transit-supportive land uses and enhance connections to/from transit
   - ☐ Provide more options by harnessing technology advances such as transportation network companies (e.g. Uber, Lyft, RideAustin), autonomous vehicles, teleworking and remote-working programs, etc.
   - ☐ Other: _____

   _____

   _____

Strategy Questionnaire

GETTING THERE TOGETHER ASMP

5. Which of the following strategies do you feel would best promote transportation **innovation**? *(check all that apply)*

☐ Provide more transportation options by harnessing technological advances such as transit network companies (e.g. Uber, Lyft, RideAustin), autonomous vehicles, teleworking and remote-working programs, etc.

☐ Pilot programs and develop policies that further advance emerging electric, connected and autonomous vehicle (E-CAV) technologies

☐ Promote data-sharing between public and private transportation providers

☐ Other: _____

_____

_____

6. Which of the following strategies do you feel would best promote economic and environmental **sustainability**? *(check all that apply)*

☐ Promote transportation modes that reduce reliance on fossil fuels (such as biking, walking, transit and electric vehicles)

☐ Use environment-friendly materials and methods in the design and construction of transportation projects

☐ Ensure the transportation network is resilient and adaptable to future changes

☐ Prioritize transportation projects and policies that support opportunities to live, work and play in close proximity

☐ Other: _____

_____

_____

7. Which of the following strategies do you feel will support the **economic prosperity** of individuals and/or the region? *(check all that apply)*

☐ Invest more transportation infrastructure and programming resources in historically marginalized communities

☐ Advance transportation projects that promote access to quality jobs and job centers

☐ Support business growth and investment by providing transportation resources in and around activity centers

☐ Make it safer and easier to move goods and services through and within Austin

☐ Other: _____

_____

_____

8. Which of the following strategies do you feel will provide the best opportunity for **placemaking**? *(check all that apply)*

☐ Prioritize transportation projects and policies that support opportunities to live, work and play in close proximity

☐ Design streets based on surrounding land uses, urban design, and cultural identity

☐ Invest more transportation infrastructure and programming resources in historically marginalized communities

☐ Other: _____

_____

_____
