

Universal Recycling Ordinance Phase 2 Administrative Rules Amendment Process
Stakeholder Meeting #6 - Healthcare
2:00 P.M. – 4:00 P.M., September 25, 2013
Austin City Hall, Room 1029; 301 W. 2nd St; Austin, TX; 78701

AGENDA

PART ONE

2:00 – 2:10 PM Introductions

- 1) Introduction of staff
- 2) Introduction of stakeholders
- 3) Agenda overview

PART TWO

2:10 – 2:30 PM Universal Recycling Ordinance

- 1) Orientation to the [Universal Recycling Ordinance \(URO\)](#) and specifics related to Healthcare
- 2) Update on the stakeholder process to amend [Section 8.0 of the ARR Administrative Rules](#)

PART THREE

2:30 – 3:55 PM Facilitated discussion and information exchange

ARR staff seeks stakeholder input that will help shape recommendations to amend the current URO section of Austin Resource Recovery's Administrative Rules. The goal is to develop Rules that effectively implement the Universal Recycling Ordinance.

Discussion emphasis will be on the Healthcare industry. Topics may include, but are not limited to:

- Recycling at Healthcare facilities: current practices and future opportunities
- Composting at Healthcare facilities: current practices and future opportunities

Come prepared to share your stories and experiences!

3:55 – 4:00 PM Wrap up & next steps
