What Starts Here

Cigarette butts at an outdoor shopping center

Plastic bag on a neighborhood street

Water bottle at a gas station

Beer can on a college campus

Styrofoam™ cup from a car on I-35

Sandwich bag in a public park

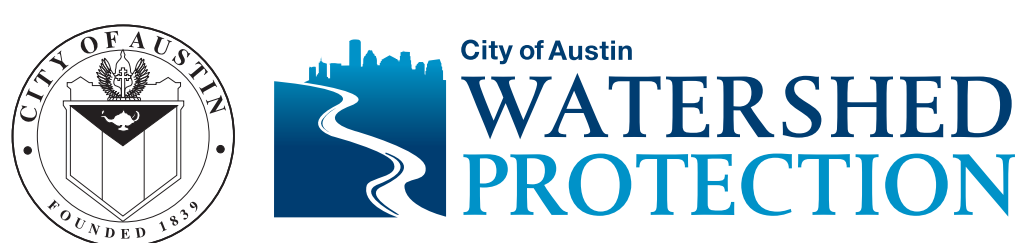

Trash travels from the land to our creeks and Lady Bird Lake. That trash:

- Pollutes soil and water
- Harms or kills animals
- Destroys aquatic habitat
- Ruins recreational areas
- Makes the City look ugly!
